

2022 Temple Beth Sholom March of the Living

**TRAVEL INSURANCE REQUIREMENTS –
PLEASE READ CAREFULLY!**

Trip Insurance - All participants are **required** to obtain trip insurance which includes but is not limited to cancellation, interruption, and medical coverage. The March of the Living strongly encourages adding on the Cancel For Any Reason policy, although it is not mandatory. Travel insurance protects against unforeseen circumstances given the global health pandemic and protects against loss from cancellation occasioned by unforeseen, personal situations that do, from time to time, arise. It is imperative that this insurance covers medical treatment and quarantine due to Covid-19. It is recommended that you purchase insurance to cover loss and/or damage to luggage and other personal belongings. This insurance needs to be purchased within three weeks of initial payment to Temple Beth Sholom or purchase of airline tickets or anything related to this journey. **YOU WILL NOT BE ELIGIBLE FOR TRAVEL INSURANCE IF YOU DO NOT ABIDE BY THIS 3 WEEK TIME FRAME.**

Please do explore the “cancel for any reason” upgrade to determine its benefits
